## **REPORT for FALL, 2017**

Dear Friends,

**Medical Update:** Today is Friday, December 8<sup>th</sup>. This morning Barb underwent knee surgery to help with a torn meniscus in her right knee. We have no idea how she injured it. The procedure went well, and she was even able to come home an hour or so later. She should be fine, as the doctor was very pleased with how everything went.

**Milestone Passed:** As I mentioned in our last letter, we have now completed more than 40 years in an itinerant ministry. Some folks have asked about what all we have accomplished during those years. Rejoice with us in what God has allowed us to do during these past four decades. Here is a quick overview.

We have had the privilege of conducting more than 1,360 *series* of meetings in addition to hundreds of 1-day meetings in 48 states; 53 mission trips involving 28 countries; 16 musical recordings; 10 original pieces for violin & piano; 98 arrangements for various instruments available at [sacredsheetsmusic.com](http://sacredsheetsmusic.com); and 17 books. We have driven approximately 865,000 miles, plus thousands of air miles. Phew! I get tired thinking about it. Our motorhome is now 23 years old and has just under 300,000 miles on it. We just keep maintaining and repairing it and it just keeps going. Without it, we would not be able to have the ministry we have, especially musically and having Barb along.

**Ministry Update:** Since the beginning of September, we have been in 9 series of meetings and several 1-day services. Two of the churches were first time meetings and the others were all repeats, although three of them involved pastoral changes. One church that averaged about 20 on Sunday morning had 47 visitors including 5 pastors in just four days! We had a great week.

**Ministry Opportunities:** At this writing, we still have some open dates in 2019, both in the Spring and Fall. If you, or your pastor, are interested, please contact us soon. We are also beginning to schedule some in 2020, as the Lord tarries. God has been good to us and we look forward to being able to continue to serve him. Sadly, more and more churches are no longer having special meetings. This "New Calvinism" is destroying evangelistic fervor. By God's grace, we won't quit! Stand with us. Pray for us. Contact us so we can encourage your church.

Thank you again for your interest in our ministry and for your prayer support on our behalf. It is always deeply appreciated and is a tremendous encouragement to us as we continue to serve our Lord in the ministry of evangelism.

In Christ,

Ken & Barb Lynch, Eph. 6:19
